STOP STOP STOP

WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim® along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

I'LL MAKE YOU A MASTER OF KARATE

日本空手道

Karate is the secret, Oriental art of self-defense that turns your hands, arms, legs into paralyzing weapons . . . without any bodily contact.

In just 2 hours after you receive "SUPER KARATE" you will be on your way to being an invincible Karate Master, at home, this Fast, EASY way or it costs you nothing.

WALLACE W. REUMANN

Author of SUPER KARATE and world-famous authority on KARATE, is the ONLY Instructor in this country recognized by the International Karate Federation in Tokyo.

I started to practice Karate during the Occupation of Japan. I was awarded the 4th Degree Black Belt — proof of my proficiency. Now I am ready — and very happy — to share my knowledge with you.

Remember, I'll make YOU, into a KARATE Master, or within 2 weeks after you receive your course, you send me back your money — every penny you paid for it — without question. I'm confident that you can be perfected.

You don't have to attend either of my 2 schools where I teach (and I'm sure you and learn them both). KARATE requires. No. I can teach you the KARATE in the privacy of your own home, with only a few minutes of practice a day. I'll have you perfect in a few weeks. Remember, KARATE is SUPER KARATE, completely different and distinctly explained.

In this book I take you step by step through the fundamentals and techniques of KARATE so that you can perform difficult and intimidating feats of amazing proficiency. Learn defensive methods to shake you off ANYONE you may encounter and use your body like it is, or have ever been before!

YOUR BODY IS YOUR PROTECTION!

The secrets of hundreds of years of the Oriental system of self-defense is within you. Learn how to develop your body to its greatest strength and use it as a weapon. Make it a deadly powerful weapon of attack. When you know how to use KARATE you become cool and disciplined. Your self-confidence will increase and your bearing will command respect. You will be able to defend yourself against any kind

THAT GOOD, BLACK JACK! HOW ABOUT YOU PAY US?
NOT SO FAST! HICKOK HASN'T PAID OFF YET! WHEN HE COMES THROUGH -- THEN YOU GET YOUR WAMPUM!
THAT NOT WHAT YOU SAID BEFORE! YOU SAID ALL MY MEN HAD TO DO WAS CATCH CALAMITY JANE!
THAT'S THE TROUBLE WITH YOU REDSKINS! YOU'RE ALWAYS JUMPING TO CONCLUSIONS!
WHENEVER THAT FANCY SHOOTIN' MARSHAL PAYS... YOU GET PAID! NOW GET OUTTA MY WAY!
YOU LUCKY MAN, BLACK JACK! I LET YOU GET AWAY WITH THAT ONCE! NEXT TIME YOU PUSH ME... I KILL YOU!
THAT IS... IF WILD BILL NOT GET YOU FIRST!
OH, FATHER! IF THEY'RE SO GREED-STRICKEN THEY'D KILL EACH OTHER, WHAT WILL THEY DO TO US?
I--I CAN'T SAY, MY CHILD! THAT'S UP TO THE ALMIGHTY!
YOU MIGHT HAVE A POINT THERE, REVEREND.. BUT BILL HICKOK AND THE RAWHIDE KID'LL HAVE SOMETHIN' TUH SAY ABOUT IT, TOO!
I BEEN IN WORSE PICKLES THAN THIS AND HAD BILL BAIL ME OUT... AND I DON'T RECKON HE'LL LET ME DOWN NOW!

A KALEIDOSCOPE OF KINETIC KIBITZING AND KOOKY KOMMENTARY KENNED TO KINDLE YOUR KARMA!

STAN LEE'S SOAPBOX

Hey group, let's talk about Cons. Have you noticed how they've been proliferating? (Marv, tell Irv Forbush to relax— it isn't a naughty word!) It seems that every time you turn around someone is having a Comicbook Fan Convention somewhere— and nothing could make us happier. It's about time this country really got into culture! And now, here's an earth-shaking item for our "Don't Say I Didn't Warn Ya" department. For all of you who'll be in the Florida area the middle of this month (December), Yours Truly will be a guest of honor at the big, new Miami Con to be held at the Americana Hotel in Miami Beach from December 17th through the following weekend. I'll also be on hand for the Creation Con at New York's Commodore Hotel on January 3rd— so all non-believers have time to get out of town! But, the biggest kick of all, of course, will be the second annual Mighty Marvel Con which will be held at the selfsame Commodore Hotel here in Fun City during Easter Week! Okay— that's it! Adjust your calendars accordingly and set your timetables— you know how I hate talking to an empty auditorium (Especially when it answers back!)

And now, a tip to all you frantic ones who complain about the difficulty of finding your favorite Marvel mags on sale when you want 'em. If you miss out on some of our minor masterpieces because your dealer just doesn't receive enough copies to meet the demand, here's what to do. Ask your proud purveyor of Marvel magic for the name of the wholesaler from whom he buys his magazines. Then, call or write that selfsame wholesaler, demanding that he supply more copies of Marvel Comics to your long-suffering dealer. Yep, your letters and phone calls will let 'em hear the thundrous voices of Marveldom Assembled, as peace and contentment settle once more o'er the ranks of comicbookdom throughout our fair land!

And now, it's back to the ol' typewriter. With ORIGINS OF MARVEL COMICS comfortably nestled upon the best-seller lists, and SON OF ORIGINS rapidly racing to overtake it, it's time to start work on the third book in our never-ending collectors' series— and wait'll you hear what that one's gonna be called. But— I've gotta save something for next time, so— till we meet again, remember— life can be a breeze, if you take it "cum grano salis"!

Excelsior!

Stan

ITEM! As winter approacheth, and the snows do fall 'pon the trampled earth, mighty-thewed beasts of burden burrow into the deepest, dank caves ready for the long hibernation ahead. Fortunately for you, Faithful One, the burdened beasts of your batty bullpen can barely take the time for a quick snooze, let alone a five-month shut-eye, which is our sneaky way of telling you that Mighty Marvel is on the move again! We'll get into some of our new projects in a paragraph or three, but let us tell ya about a couple of more physical moves—namely, cross country and county. Take Riotous RICH BUCKLER, the FANTASTIC FOUR's penciller supreme, for one. Not only has Rich taken to work on a whole slew of our cavortin' covers, but he's also moved back to the Big Apple just to be closer to the home of our boisterous blockbusters! And according to Newton's law—every action requires an opposite reaction, so TONY (The Tiger) ISABELLA has packed his bags and typing paper and made his long trek back to the wilds of Cleveland, where he will pen the awesome adventures of everyone's favorite cycle-star, the GHOST RIDER! And guess who's taking the biggest move of 'em all? Right on the first try—Stainless STEVE ENGLEHART, who's moved from being a bashful bachelor to the mirthful munificence of married life. We'd congratulate you, Steve, but the real congrats go to MARIE-THERESE BEACH, for not only putting up with your complete Marvel Collection, but all those blamed AVENGERS who keep popping in to proofread your paperwork.

ITEM! As for some of those other moves we sorta hinted at a moment ago, well, this is the big month for a couple of dutiful debuts. Let's roll out the red carpet and give a great big Marvel welcome to the long-demanded arrival of The Guardians Of The Galaxy, appearing in each and every issue of MARVEL PRESENTS. STEVE (Baby) GERBER and Mighty AL MILGROM pulled out all the stops with this galaxy-busting premiere story. So, join Starhawk and company for a voyage Star Trek never even dreamed of taking. And, while you're rocketing off with the Guardians, it wouldn't hurt to take a slight detour earthward for a peek behind the pages of MARVEL CHILLERS, where a certain wondrous Were-woman named Tigra is making her soul-shattering debut. We don't want to say that even our overworked mailmen had to finally give in, but your fillin' letters praising Tigra's appearances in GIANT-SIZE WEREWOLF and MONSTERS UNLEASHED are still crowding us out of our under-sized offices.

ITEM! And while we're introducing new artists to your beleaguered Bullpen, let's say hey to Fightin' FRANK THORNE, whose radiant renderings of a certain She-Devil with a sword will be popping out the bleary eyes of more than one love-struck Marvelite. Take a peek behind the pages of MARVEL FEATURE starring Red Sonja and see for yourself. And, while we're mentioning one barbarian, it only stands to reason to mention a few more. If you haven't seen it yet, check out the pages of CONAN, where the epic tale of the beautiful Bêlit has begun. ROBERT E. HOWARD fans have been clamoring for this classic story for years, and now it's here—as only Mighty Marvel can present it. Big JOHN BUSCEMA and Socko STEVE GAN handle the art! And lastly, if ya promise not to tell anyone, we'll let you in on a scintillating secret. In just a few short months we'll be wing'n' at you a third REH hero that you just may have heard of. What was it now—? Oh yeah—the guy's name is KULL THE DESTROYER, and the Bullpenner penning his tales will be none other than Rascally ROY THOMAS, who also scripts the other two batters above. Which just may explain why our Editor Emeritus has taken to carrying his own broadsword strapped to his hip.

ITEM! We've always heard that two's company and three's a crowd, but this is getting ridiculous. If you've been following the frantic adventures of the FANTASTIC FOUR, THE AVENGERS, THE INHUMANS, and THE SONS OF THE TIGER, you just may be familiar with the name Georgeous GEORGE PEREZ. Y'see, unlike most artists who pop a mountainful of Exedrins just thinking about drawing our group strips, George seems to thrive on them, relishing each and every panel, and placing as many team members as he can all over the place. We don't know about you, George, but we're sure of one thing—George? Will someone wake up George, please?

WE'RE NUMBER ONE

WHO IS HE?

Keep watchin', Marvelite, the answer is forthcoming.

WEBHEAD, WE DON'T UNDERSTAND YOU, BUT WE SURE APPRECIATE THE HELP!

THANKS, GUYS. MEANWHILE, I'VE GOT A QUART OF GRADE-A TO DELIVER.

SORRY IT TOOK ME SO LONG, M.J., BUT I—ER—GOT A LITTLE BIT DISTRACTED.

NO SWEAT, PETER, THE HOSTESS CUP CAKES YOU LEFT WITH ME WERE A LOT MORE REWARDING TO ME THAN YOU'VE EVER BEEN!

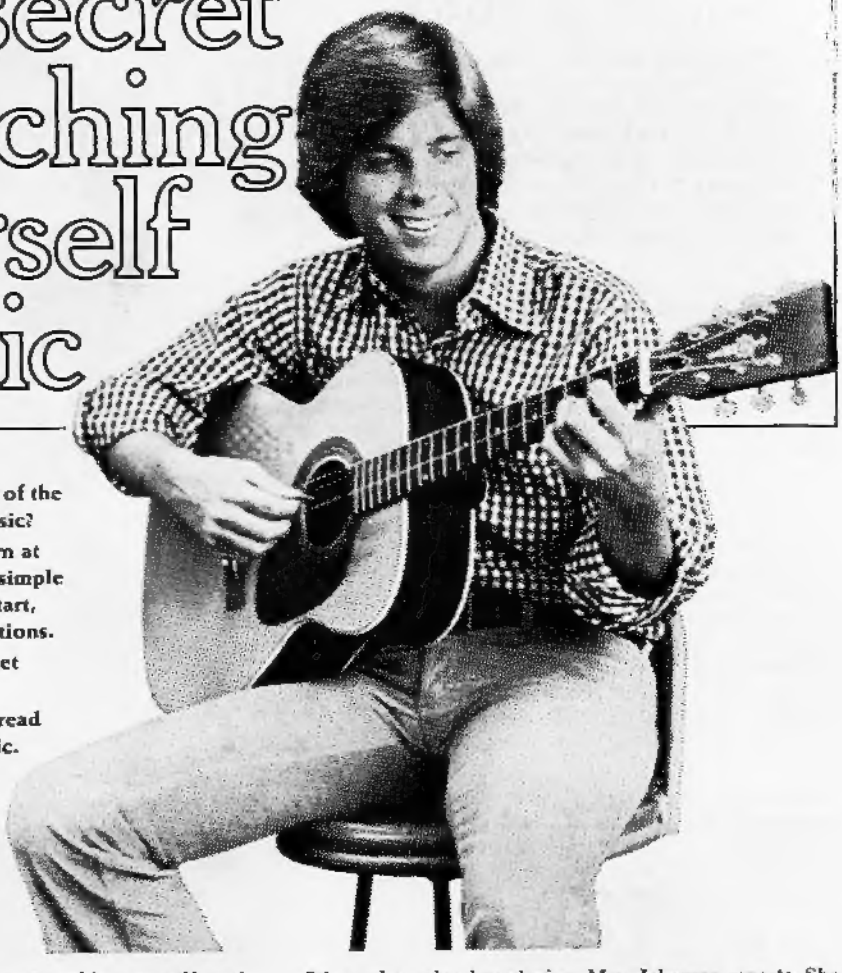
The secret of teaching yourself music



Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.

Choose piano, guitar or spinet organ.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never could.

It may seem odd at first – the idea of teaching yourself music. You might think you need a private teacher at $4 to $10 per hour to stand beside you and explain everything you should do – and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play by using the lessons we give by mail. And you can too.

With our lessons, you learn to play the right way – by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

It's really a marvelous way to learn. In fact, graduate Mrs. Norman Johanson wrote us, "My daughter has taken lessons for 8 years from a private teacher, and now she asks *me* questions about some of her lessons. How very proud I feel when she says to friends, 'You've just got to hear my Mom play!' "

Others also enjoy her playing. Mrs. Johanson reports. She plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

If you've ever dreamed of being able to play the piano, the guitar, or the spinet organ, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free "Note-Finder." There's no obligation. Just mail the coupon to the U.S. SCHOOL OF MUSIC, A Home Study School Since 1898, 417 South Dearborn Street, Chicago, Illinois 60605.
